

MUPOLE UWIZEYE ALEXIS

IT Professional | Computer
Science(USA) & Business Computing
(Uganda)

Contact	Profile
+243997306308 alexismupole@gmail.com https://alexismupole.me	I am a passionate lifelong learner currently pursuing degrees in both Computer Science and Business Computing. My academic interests lie at the intersection of software development, data management, and business strategy. I enjoy building functional web applications, working with databases, and exploring how AI can solve everyday challenges. I am committed to continuous growth and applying my technical skills to create meaningful digital solutions.
Education	Experience
Bachelor of Computer Science (USA) University of the People 2024-2027 Bachelor of Business Computing (Uganda) Bugema University 2024-2027 Leadership Program (1 year at the Academy) Cornerstone Leadership Academy (CLA) 2023-2024 State Diploma in Social Sciences Lycee MAPEMA(DRCongo) 2014-2020	Web Developer Rising Capacities for Children Africa (RICCA-Kenya) <i>April 2026 to Present</i> Web Development & Hosting: Designed and developed the Ricca Kenya website, managing the full deployment and secure cloud hosting configuration to ensure high availability and performance.
